

Our Social Mission

Seva- selfless service is an important part of our Yoga and Life practice. We are all interconnected and therefore should all contribute to the upliftment of our fellow human beings.

We work with various non-for profits ranging from environmental, childhood education, yoga, nutrition, organic gardening, and cultural sustainability projects to raise money and promote awareness.

"Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has." - Margaret Mead.

Please check out some of our current partners to donate your time, knowledge or funds. And if you have a project you would like Revolution Yoga to get involved in email us at yoga@revolutionyogaspace.com so we can find a way to help.
